

National Newspaper Week 2021

Since 1940, NAM has sponsored and supported National Newspaper Week. It's once again time to pledge support.

We're asking all associations to urge their members to publish these materials during National Newspaper Week **Oct. 3-9**. They are available at: <http://www.nationalnewspaperweek.com>. More resources are being added through the start of the NNW observance.

The cost of \$2 per estimated user helps fund NAM programs and projects such as this one. It is an important source of revenue for NAM. Please fill out and return this pledge form.
